

RESISTANT

Crisis Training Platform

Training and Knowledge Sharing Platform for First Responders and Educational Tools for students' and citizens' awareness and preparedness against Natural and Manmade Disasters and Risks

RESISTANT's aim is to build the first **European Crisis Training Platform** to train first responders through threefold comprehensive training: educational, operational and virtual reality training.

RESISTANT will map the current initiatives, procedures and resources for coordination, education and training for natural disasters and technological risk mitigation and present them in an **Observatory**.

RESISTANT will also put in place **a virtual 'agora'** for first and second responders, academia, market practitioners, volunteers and other civil protection stakeholders to share knowledge and exchange best practices, especially in cross-border crisis management as well to search for synergies and future collaborations.

Project Facts

Project Duration: 18 months
Start date: 1 January 2021
EU contribution: €254 199.81 (85% financing rate)
Total costs: €299 058.58

Programme: Union Civil Protection Mechanism (UCPM – 2014-2020)
Call: Union Civil Protection Mechanism
Knowledge Network: Network Partnership
Topic ID: UCPM-2020-KN-AG

Funded by
European Union
Civil Protection

This project has received funding from the European Union's UCPM-2020-KN-AG under grant agreement No 101017819
